

Why is the History Important?

Lesson 3 – Volume 1

Directions: Write today's memory verse on the Bible below.

Today we will learn that Peter preached from the Old Testament history to teach the people about Jesus. Thousands of people believed in Jesus.

Stephen preached about Jesus from the Old Testament, too. When Paul believed in Jesus, he became a missionary. He wrote much of our New Testament. He taught that the history written in the Bible was written for our example. We need to remember what is written, so we can better live for Jesus today.
