

Five Personal Books

Lesson 7 – Volume 1

DIRECTIONS: Use the code to finish the Memory Verse below. Use your Bible if you need help.

The five personal books are called such because they deal very personally with man. They are all books written as poems or songs. They each deal with individual's experiences with God. They focus on the individual's heart issues as they seek to know and understand God better.

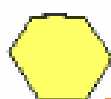

I have _____ of thee by the _____ of
the _____: but now mine _____ thee.
